

## COOKIE POLICY WEBSITE [www.abremar-patents.com](http://www.abremar-patents.com)

The "Website" ([www.abremar-patents.com](http://www.abremar-patents.com)) uses cookies to make our services simple and efficient for users who visit the web pages of [www.abremar-patents.com](http://www.abremar-patents.com).

In order to make your services as efficient as possible and easy to use this site makes use of first part cookies. Therefore, when visiting the Website, a minimum amount of information is entered into the User's device, such as small text files called "cookies", which are saved in the User's Web browser directory.

Cookies are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

In particular:

1. Enable you to efficiently navigate from one page to another of the website.
2. Cookies store the name User IP and preferences entered on the website.
3. Cookies allow you to avoid entering the same information (such as user name and password) several times during the visits on the website.
4. Cookies measure the use of the services by the users, to optimize the browsing experience and the services themselves.

There are various types of cookies but basically the main purpose of a cookie is to help the site to work more effectively and to enable certain technical features. The following are the types of cookies that can be used in the site with a description of the purpose related to use.

### Technical cookies

Cookies of this type are necessary for certain areas of the site to function properly. Cookies in this category include both persistent cookies and session cookies. In the absence of such cookies, the site or some portions of it may not work properly. Therefore, they are always used, regardless of user preferences. The cookies in this category are always sent from our domain.

### Analytical Cookie

Cookies of this type are used to collect information about the use of the site. The data controller can use this information for statistical analysis, to improve the site and simplify its use, as well as to monitor its proper functioning. This type of cookie collects anonymous information about the activity of the users in the site and how they arrived at the site and the pages visited. Cookies in this category are sent from the site itself or from third-party domains.

### Third party web sites and platforms

Your use of third-party web sites and platforms such as Google, Google +, Twitter and Facebook, and the privacy practices of these platforms, are governed by separate terms, conditions and policies for which A.BRE.MAR. S.r.l. is not responsible. You should review Google, Twitter's and Facebook's terms, conditions and policies where you will find more details on how information about you is used on their platforms and how you can set your privacy preferences.

You can find more information about the individual Cookies we use and the purposes for which they are used in the table below:

**Facebook** privacy policy: <https://www.facebook.com/help/cookies/>

**Twitter** privacy policy: <https://support.twitter.com/articles/20170514>

**Google+** privacy policy: <http://www.google.it/intl/it/policies/technologies/cookies/>

### Enabling / Disabling cookies by using the Web Browser

There are several ways to manage cookies and other tracking technologies. By modifying your browser settings, you can accept or reject cookies or decide to receive a warning message before accepting a cookie from the websites you visit. Remember that completely disabling cookies in your browser may not be able to use all our interactive features. If you use multiple computers at different locations, make sure that each browser is set to suit your preferences. You can delete all cookies installed in your browser's Cookies folder. Each browser has different procedures for managing settings. Click on one of the links below to get specific instructions. Microsoft Windows Explorer Google Chrome Mozilla Firefox Apple Safari If you are not using any of the browsers listed above, select ' Cookies ' in the relevant Help section to find out where your cookie folder is located.

### Enabling and disabling cookies

In addition to being able to use the tools provided by the browser to enable or disable individual cookies we inform you that the site [Www.youronlinechoices.com](http://www.youronlinechoices.com) lists the main providers who work with Website managers to collect and use useful information for the enjoyment of behavioral advertising.

You can disable or activate all companies or alternatively adjust individual preferences for each company.

To do so you can use the tool that is on the page <http://www.youronlinechoices.com/it/le-tue-scelte> .
